1. I am an active member of a fire service, at least 18 years old and medically fit for SCBA use and operational duty on the day of the event (in Germany according to G 26.3). I feel healthy and fit. I will report any health restrictions to the medical team before my start.
2. I will comply with the terms of participation and the rules explained in the safety briefing. I will follow instructions from the judges, the safety judge and the medical team immediately. I am aware that a run may be stopped at any time for safety or health reasons.
3. I take part at my own risk. I am aware that the stations are physically demanding and that work is carried out under SCBA, in zero visibility and with a heavy rescue dummy.
4. I and/or my fire service are responsible for my own equipment (PPE, SCBA and air cylinders). It is complete, inspected and ready for use. I will not use knives at the stations, including my own. I will use shears only to overcome obstacles and will not damage medium-pressure hoses, fire hoses or equipment with them.
5. Insurance: accident insurance cover is provided through the sending fire service. Unless stated otherwise, the organiser has not taken out separate accident insurance for me.
6. The organiser is liable only for intent and gross negligence. This does not apply to damage resulting from injury to life, body or health; statutory provisions apply in that case.
7. I and/or my sending organisation are liable for damage I cause intentionally or through gross negligence (e.g. to the hall, the stations or equipment provided).
8. I agree that photos and videos in which I appear may be used for RITC public relations. ☐ yes ☐ no
